

Hartford High School
Transferable Skills

These one point rubrics are designed for students and teachers to collaborate in the process of reviewing evidence, reflecting on growth and identifying the next actionable step in a student's development in the transferable skills. Students will gather evidence to share in student led conferences as they show growth in Hartford's proficiency based graduation requirements.

Critical Thinking and Problem Solving Rubric

Students will develop and use strategies to solve complex problems.

Proficient
<ul style="list-style-type: none">• I can identify the problem.• I can create and use a strategy to solve the problem.• I can adjust my strategy as needed to become more efficient.
