

GP 8 Board Committee Structure 2022

April 2022

By Nancy Russell

A committee is a board committee only if its existence and charge come from the board, regardless of whether board members sit on the committee. The only board committees are those that are set forth in accordance with this policy. Unless otherwise stated, a committee ceases to exist as soon as its task is complete.

Interpretation:

As a member of the Hartford School Board and charged by the Board to produce this monitoring report, I interpret GP 8 to mean that:

The Board uses committees only to help with its own work, and it does not have committees that help or advise staff in operational areas. The Board is the only entity with authority to create a committee and each committee must have a specific charge. When that charge has been met, the committee ceases to exist.
