Custodial Staff Wage Increase
June 1, 2023

The Hartford School District and the Hartford Education Association recognize the importance of clean working and learning environments and are committed to attracting and retaining custodial staff. We believe this increase in wage will help to accomplish both.

All current employees paid as custodians will have a \$2.00 per hour increase in pay beginning on July 1, 2023.

The new minimum rate of pay for custodians will become \$19.50 per hour beginning on July 1, 2023.
